2011-12 SESSION INFO

PEPSI SESSION SCHEDULE

Elite Skating is now offering classes on Wednesdays or Saturdays for the upcoming season!

FALL SESSION: Oct. 5—Nov. 16 (**Registration Deadline 9/28**)

WINTER SESSION: Nov. 30—Jan. 28

SPRING SESSION: Mar. 7—Mar. 28 (Wed. only)

Practice Ice!

Practice Ice is available whenever Elite Skating is in session at the following days and times for the Fall Session (please confirm dates on lesson calendar):

Wednesdays 6:00—7:00pm

Saturdays 1:30—2:30pm

Practice Ice is restricted to participants only! If you practice on your non-class day and require skate rental, there will be a \$3 charge for skates paid directly to the rink.

'Bring a Buddy' Week

Each session, we allow participants to bring one (1) buddy to their 4th week of skating class. Their buddy will participate in a 'beginners only' class taught by another instructor (the buddy will NOT join the skater in their normal class so as not to disrupt the general skill progression).

- Participants are limited to one (1) buddy between the ages of 3 through adult. This can only be during their scheduled class time on the 4th week of the session, no exceptions.

Extra Stuff!!

Schedule Notes:

We do not have ice available on Sat. 11/12 or Sat. 11/19, so if you enroll for Saturday classes for the Fall Session, you will need to complete the last two weeks of class on Wed. 11/9 & 11/16.

Skate Rental Policy:

Skate rental is available and must be paid directly to the rink each week for a charge of \$3 per person. *Beginner Hockey participants will receive hockey skates as part of their rental equipment.*
